pricelist 2018

Hello!

We are Simona and Linda and together we are

si.li.

We both graduated from the Academy of Fine Arts and Design in Bratislava (Slovakia).

Together we share a studio based in Bratislava where we work as individuals and cooperate as a duo named si.li.

Our label is a fusion of two different approaches to one material, we share the same passion for porcelain and ceramics.

si.li. focuses mainly on handmade production of porcelain housewares for everyday use.

SI.LI.BASICS COLLECTION
minimalist + vintage + function

The Basics is a collection of porcelain dishes designed for everyday use. The Basics is about fantasy – it is up to you, which components you choose and how you use them.

Each piece is handmade from Limoges porcelain or highfired stoneware and decorated in a unique way. Small imperfection marks are significant parts of the hand made process. Every piece from our shop has been crafted by the two of us.
